**JOINT STIPULATION AND [PROPOSED] ORDER TO EXTEND TIME FOR
DEFENDANT TWITTER TO RESPOND TO PLAINTIFF'S COMPLAINT**

WHEREAS, Plaintiff James Dean, Inc. ("JDI") filed this lawsuit against Defendant Twitter, Inc. ("Twitter") and Defendant John Doe ("the Doe Defendant"), which was removed to this Court on February 7, 2014.

WHEREAS, the Parties filed, and the Court granted, a request to extend Defendants' time to respond to the complaint to May 13, 2014.

WHEREAS, on March 31, 2014, JDI filed an unopposed motion to vacate the initial case-management conference, which had been set for April 8, 2013, on the grounds that JDI did not know the identity of the Doe Defendant.

WHEREAS, the Court granted JDI's unopposed motion on April 2, 2014, vacating the initial case-management conference, staying the parties' obligation to file a case management plan, and ordered Plaintiff to file a proper discovery motion if it wanted to seek the identity of the Doe Defendant.

WHEREAS, JDI still does not know the identity, and has not served, the Doe Defendant, and is preparing a proper motion for discovery seeking such information;

WHEREAS, JDI has made clear that if its discovery motion is granted and if it receives information from Twitter assisting in identifying the Doe defendant, JDI will dismiss Twitter from this action.

IT IS HEREBY STIPULATED AND AGREED, by and among the undersigned counsel, that Twitter's deadline for responding to the complaint is extended until 14 days following the date on which JDI serves the Doe Defendant pursuant to Fed. R. Civ. P. 5.
